

Larry Taub M.D.

OPHTHALMOLOGY

Dr. Larry Taub is honored to have been placed in the *D Magazine* Hall of Fame, along with his longtime partner, Dr. Gordon Newman. As a board-certified ophthalmologist and past president of the Dallas Academy of Ophthalmology, Dr. Taub provides comprehensive eye care and surgery to his patients. Together with Dr. Claire Chu, the Newman and Taub Vision Center offers premium cataract surgery using advanced technology, such as the PanOptix, Vivity, Symfony and Toric lens implants. The latest in diagnostic and treatment modalities allow them to provide thorough and individualized care for a wide variety of ophthalmic conditions, such as glaucoma and diabetes, as well as complete eye exams. Dr. Taub appreciates the many referrals from his patients and fellow physicians.
